

King's College School

King's College School
for Bright and Gifted Children

Dear Parents,

February 3, 2020

King's College School is going to the **Horseshoe Resort** for our **Winter Sports Program**. All students taking Phys.Ed are expected to participate in the winter sports days. This will give them 10 hours towards their physical education credit. The cost of this program has already been included on your second term expense invoice. For those high school students not in Phys.Ed, they are welcome to join us for a fun day of winter sports. The cost for *one* day would be \$65 and \$130 for *two* days.

The winter sports days are on **Fridays** - February 14th, and February 28th. Departure time from the school is 8:20 a.m. The return time to the school is 3:45 p.m. **Supervision will be provided from 8:00 a.m. to 5:00 p.m. There will be no school on the winter sports days so, if not participating, your child must stay home.** Lunch is provided. Please ensure that your child is dressed appropriately for his/her chosen sport.

Please indicate which activity you would like and on which day. Your child may do any of the following: full-day skiing, full-day snowboarding, full-day tubing, or half-day skiing and half-day tubing, or half-day snowboarding and half-day tubing. If your child is choosing either skiing or snowboarding, Horseshoe Resort will run a **mandatory** lesson on the first day to determine each student's level of ability in order to determine which hills they are allowed to use. **As of right now Horseshoe Resort is not allowing students to use the terrain park while visiting with a school.**

Teacher supervision is provided until 5:00 p.m. for study to any student remaining, as per our standard Friday schedule.

The King's College School rules of conduct for student behavior, and the consequences if they are broken, are in place during this activity. In addition, failure to comply with the King's College School rules of conduct will result in the parents being notified and the student being sent home at the earliest opportunity, at the parents' expense.

Please return this form filled out front and back, signed and dated, and the completed OSBIE Excursion Form (attached), by **Wednesday, February 5, 2020.**

I give permission for my son/daughter, _____, to take part in the Winter Sports Program on February 14th, and February 28th, **2020**. I am aware of the fact that skiing/snowboarding/tubing carries some inherent risk. I consent to the participation of my son/daughter in these activities and will bring no action or claim of any kind against the school, its directors, employees, volunteers, or agents in respect of injuries or damages sustained as a result of participation or the negligence of the school, its directors, employees, volunteers, or agents.
