
The KING'S CRIER

WELCOME BACK

The King's Crier would like to welcome our new and returning students. We hope you all had a wonderful summer and are excited to be back at King's! You can all look forward to many amazing experiences in the weeks to come. The Shaw Festival Trip took place on September 20th in Niagara-on-the-Lake. Haliburton Trip will be coming up on October 3rd through to the 7th,

where secondary students can look forward to many outdoor activities and a place to build friendships. Our Elementary students can look forward to a week of King's Discovery Week. We hope all our King's families became acquainted through the Welcome Back Barbeque. All our students can look forward to a wonderful year full of activities and education. *By: Chase Graci*

HOUSE COMPETITION

Another year at King's has begun, and that means King's Houses are starting to compete for the House Cup. Last week, all students were sorted into the five houses House Mitchner, House Lord, House Bradshaw, House Eta, and House Kumba. Students have also made chants for each house, and showcased their chants for the entire school in the first house competition of the year.

All houses put up a valiant effort, with each showing enthusiasm that would rival a child being told they are going to Disney World. It ended up being a very tough decision for the judges, but after a long deliberation, House Kumba came out on top! They were awarded the most house points, which gets them closer to lifting the House Cup at the end of the year.

The [friendly] competition is just heating up at King's, with many more competitions on the way. Stay tuned! *By: Aidan Zammit*

TRIP TO THE SHAW FESTIVAL

On Tuesday, September 20th, the grade 7 to 12 classes attended the Shaw Festival in Niagara-on-the-Lake. We watched the performance of 'The Importance of Being Earnest'. The cast put on an amazing performance filled with humour and drama. The students took a coach bus from the school to Niagara-on-the-Lake, where they then had lunch together at the Golf Club.

In the free time between lunch and the play, the students were able to walk around and explore Niagara-on-the-Lake. Many purchased coffee and ice cream.

King's College will be heading to the Stratford Festival on October 26 to watch 'Hamlet'. By: Chase Graci
